## **SUMMER VACATION ASSIGNMENT FOR CLASS-VII**

### **SUBJECT: ENGLISH**

1. Have you ever found a topic or subject that was too boring or difficult for you at first but you developed an interest in it later on? What made you change your mind? Write a paragraph of about 100 to 150 words describing how this change took place.
2. Your mother is sick with high fever and cannot get out of bed. As a result you have to do most of the work at home. You spend the whole day looking after your mother as well as doing the household chores. Describe your day in the form of a diary entry.
3. Your parents have gifted you a cute puppy on your birthday. Write a letter to your friend about how you feel about your new pet.
4. Write in about 150 words the summary of the lesson "The Hound of Baskervilles".
5. Write about famous authors who have specialized in writing about crime and detective stories. Make your work attractive by making ample use of pictures.
6. You are alone at home when the doorbell rings. It is a stranger who tells you that he is a good friend of your father from the office and has come to give an important file to him. What will you do?
